“

*We are a member-owned organisation dedicated to innovation and quality and are driven to continuously improve the services we offer.*

”

Holstein UK is Europe’s largest independent dairy breed society offering a range of services to the dairy industry, focused on improving the genetics and profitability of the Holstein and British Friesian breeds. Owned by its members, the Society is dedicated to assisting Holstein and British Friesian dairy farmers to breed profitable, robust and productive dairy cattle. Holstein UK aims to aid its members going forward by highlighting the traceability, authenticity and quality of registered cattle.
